

# Consent form for research participation

Thank you for agreeing to participate in this session today. The responses you give in this session will help us to design a better customer experience for you and others like yourself.

## Your rights and privacy

This research is carried out in compliance with the *Information Privacy Act 2009* (Qld) and any information provided in the research will be kept strictly confidential and used only for the purposes of this research.

Your involvement in this research is entirely voluntary. You have the right to refuse to answer particular questions during the course of our conversation.

## Photos, audio and video

With your permission, we would like to take photos, audio recordings and/or video recordings of this session. These will ensure we capture the conversation accurately and will aid us in telling stories to our project team about what you have shared with us. Any picture, audio or video that is captured during the course of our conversation will be used only during the research and design process for our internal purposes only and will not be transferred to anyone else without your full knowledge and consent.

## Consent

- ✓ I agree that I am the person whose signature appears below.
- ✓ I acknowledge that the contents of this research are completely confidential and I agree not to divulge any such confidential matters arising from the research project.
- ✓ I have not attended a discussion group or depth interview for market research in the last six months.
- ✓ I agree that the following specifications asked of me at the time I was recruited are true and correct, to the best of my knowledge.

If you have read the above and consent to participate, please complete and sign this document. We are happy to provide you with a copy for your records should you wish.
