## SCHEDULE

### LOCALITY ALLOWANCES

#### GENERAL CONDITIONS

**Purpose**

A locality allowance is payable at certain centres to assist in offsetting the disadvantages associated with residence at these centres.

**Entitlement**

A Public Service Officer or Temporary Employee under section 113 of the *Public Service Act 1996* (hereafter "officer") appointed to a centre listed in this Schedule shall be paid -

- the full rate of locality allowance for the respective centre if the officer satisfies the Chief Executive that the officer has a dependent spouse, dependent de facto spouse or dependent child; or
- one-half of the full rate of locality allowance for the respective centre if the officer does not have a dependent spouse, dependent de facto spouse or dependent child.

**Dependants**

Departments are responsible for establishing their own criteria to determine whether an officer is eligible for the full rate of locality allowance. As a guide, a person in receipt of remuneration less than the Guaranteed Minimum Wage (\$258 per week) could be regarded as a dependant.

**Spouse Eligible For Locality Allowance**

One-half of the full rate of locality allowance shall be paid to an officer, even though the officer has a dependent child, whose spouse or de facto spouse lives with the officer and -

- is also an officer; or
- is employed by a corporation sole, statutory corporation, board, authority or other body constituted under any Act; and is eligible to receive a locality allowance in respect of that employment.

**Notification Of Change Of Circumstances**

An officer receiving a locality allowance shall notify the Chief Executive immediately of any change in the officer's circumstances which would affect the amount of locality allowance payable to the officer.

**Payable During Leave With Salary**

Locality allowance shall be paid to an officer absent on recreation leave, sick leave, long service leave or on any other leave on full salary.

**Not Payable During Leave Without Salary**

Locality allowance shall not be paid to an officer absent on leave without salary.

**Divisional Or District Allowance**

An officer stationed at a construction project shall be paid so much of the locality allowance ordinarily payable to that officer as exceeds the total amount paid to that officer in respect of -

- any divisional or district allowance prescribed for the centre generally in any industrial award or industrial agreement; and
- any site allowance payable.

**Time Limit On Claims**

A claim made shall not, without the approval of the Chief Executive, be considered for payment unless it is submitted within 12 months from the date of completion of the work, the incurring of the expense, or the conclusion of the circumstances in respect of which the claim is submitted.

**(Note: The 5.5% increase granted in the Core Queensland Government Departments Certified Agreement 1997 is not reflected in the allowances contained in this Schedule.)**
