

2020/2021 Christmas/New Year Compulsory Closure

Compulsory closure arrangements for the Christmas and New Year period are based on the benefits that result from closure during a traditionally low productivity period and providing the opportunity for staff to have a substantial break for family or other reasons.

Provisions

The closure arrangements will apply only where departmental requirements permit the absence of employees. Limited staffing arrangements may need to be implemented in some areas of departments to meet essential government and public needs.

The compulsory closure period will be from Friday 25 December 2020 to Friday 1 January 2021 inclusive. Leave for officers and employees participating in the compulsory closure is to be on the following basis –

- **Public Holiday (Christmas Day)** - Friday 25 December 2020
- **Public Holiday (Boxing Day)** - Monday 28 December 2020
- **Leave on full pay without debit (the concessional day)** - Tuesday 29 December 2020
- **Recreation Leave, TOIL or Accrued Hours** - Wednesday 30 December 2020
- **Recreation Leave, TOIL or Accrued Hours** – Thursday 31 December 2020
- **Public Holiday (New Year's Day)** - Friday 1 January 2021

Employees engaged in a service which requires continuous shift operations and who receive additional leave for such work are not entitled to participate in the closure arrangements.

Employees who are not engaged in continuous shift operations and who are required to work during the Christmas or New Year period are to be allowed one working day on full pay without debit to any leave account. This day may be taken at any time convenient to the employer, within the ensuing year.

Where an employee is absent on either annual (recreation) leave or long service leave extending over the compulsory closure period, the employee's leave is to be adjusted so that one working day is granted without debit to the relevant leave account. Where an employee is on half pay leave, the concessional day is paid at the full pay rate.

Part-time employees only qualify for the concessional day when their regular ordinary hours fall on that day. Payment is based on the ordinary regular hours ordinarily worked on that day. Part-time employees' regular working hours should not be amended purely to attract the benefits of the concessional day.

Please note commencing at 6pm Thursday 24 December 2020, Christmas Eve, is a part-day public holiday, however this part-day public holiday does not form part of the compulsory closure.

Senior Executives and Senior Officers and Equivalent

Compulsory closure arrangements for Senior Executives, Senior Officers and equivalent remunerated officers are provided for in relevant directives or through contracts of employment.
